PUBLICATIONS BY HERTA KOLBERG

The database was used for preparation of these publications. Not listed here are a number of translations of botanical documents and books as well as technical seed banking publications where the database did not play a significant role.

KOLBERG, H. 1989 Translation of report by the Department of Agricultural Technical Services on "The Delimitation of Fairly Homogeneous Farming Areas of the Northern and Central Sub-Regions of S.W.A. with the Prevailing Problems and Envisaged Development Programmes for the Various Branches of Agriculture" from Afrikaans into English for FAO.
